

The smartest solution is not always a one-size-fits-all approach. Valutec gives companies of all sizes the tools to grow. The Valutec platform enables you to choose the package that's right for you today and grow with you as your business grows.

Digital Gift Plus package includes and builds on the foundation of the Essential Gift package. Expanding your gift program online to engage with customers in multiple ways, the elements of Digital Gift Plus aid in maximizing online presence for a complete digital gifting experience.

The value of Digital Gift

Get digital reach designed for a greater customer experience. Provide customers a branded website to buy and send both digital and physical cards, giving the customer an easy digital gift card buying experience.

Gift website

Build a customized and branded website to help provide flexibility to deliver an online gifting experience to your customers. This website is embedded into your existing e-commerce site and allows you to instantly add photos, design, and messages. It comes with simple, seamless and secure authorization process, and funds are sent directly to your bank when gifts are sold.

Mobile pass/contactless payment

Customers can store their gift cards in their smartphone wallets. A contactless payment option for gift cards is simple to use, making this a preferred payment method.

Social media engagement gifts

Customer recommendations go a long way in attracting new business. Create new connections selling gifts and promos through your social media pages.

Send a promotional digital gift card via a unique SMS short code or QR code for your business to share.

Cards (digital or physical) and merchandise

Create a variety of card styles – both physical and digital. With concierge design services available for your convenience, you can create an assortment of different cards to offer your customers in-store and online. Valutec also offers a variety of display and promotional materials with which to advertise your gift card program.
